THE PRICE SHE PAID

Book by David Graham Phillips

What girl has not dreamed of marriage with some Prince of Finance, with all her worldly worries drowned in a sea of luxury? In "The Price She Paid" such a girl fulfills her dream only to awaken to the bitter knowledge that the price paid for her is as nothing compared with the price she has to pay. Then into her loveless life comes a strange man whose first words to her cause a self-revelation such as she never faced before. Under the influence of this new interest the girl determines to rebuild her life and the accomplishment of this purpose is woven with the cross threads of love that carry a theme enmeshed in interest and suspense up to the final scene.
